I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

III. STATEMENT OF CLAIM

Place(s) of occurrence: New York, Bronx, Brooklyn, NJ

Date(s) of occurrence: 5 years ago - 1/16/20

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Yonne! Yonne! My name softly echoed. It was
Aleisha Johnson calling out my name to get my
attention. Alecia Johnson tells me "Can you change
my name for me in the name of Jesus?"
Aleisha Johnson goes on to say to me "I am one of
the luckiest person and she is hiring me for this
job." Aleisha is now long dead.

I in turn tells Aleisha Johnson "that is why
Jesus give me plenty children!"

Aleisha Johnson tells me a little bit of the problem
in her life. Via vision I saw Aleisha peeing
blood. Aleisha says "You know I peeing like this
all the time" - Disability is good for nothing!

Aleisha was one who contracted this vaginal

disease selling her cheap ass on the Food-Network. Last week Jesus said "He knows someone who contracted a disease from the Food-Network." I took stock of it and let it sit.

People found out about Alisha's vaginal disease. She got fined and she ran. Via vision I heard one of the world's biggest bullies and manipulators told her "You ran and left Mr. Chai - you have to eat her". Do you see why Jesus said to me: Yvonne!

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Shock. Pain and suffering. Headaches. Exposure from extreme weather. No life. Heartache. Decreasing eyesight and memory from 2 botched M.I.'s. Sexual assault. Shattered thorax.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to order the defendants compensate me for wrongful action and invite me in our luxurious house with my kids.

Order the defendants compensate Alisha's family and open a "Go Fund Me" Page in her name.

FACT 2

"You cannot let these people live."

I heard something about "You said I have to sign a paper first thing this morning."

Aleisha was seen with an expensive ornament and was asked about where she bought the ornament. Aleisha answered "I did not buy it. I know where you put your money." Aleisha said "she was going to take more of it."

"Oh my good" I heard someone said.

There was a struggle and jostle to get inside. One person said "let go, let go" as she was gaining grounds in getting the upper hand. Aleisha wanted to get the same upper hand but was stopped.

Aleisha was stopped by a force - by psychic penetration and possibly paralyzed. I watched one lady pressing down hard with her fingers and fist into Aleisha's forehead. As I watched the two people struggle I felt every pain and the emotions in the jostle and struggle. There was an unknown eerie power operating - I felt it. Evil came around and over me - not a good feeling.

The woman said to Aleisha "You running do you know I can fly?"

Aleisha was to be killed with a dirty gun first but a snake passed under a door and presented a clean or new gun. It was used to wipe the baby's nose. I heard someone said "get a clean one - not that."

Don't you there make fun about the great big God that I serve.

FACT 3

What did you all say to Aleisha after you all killed her. "Go home and tell your mom and dad good morning now!"

Wait a minute here, wait a minute here. I heard you said "You processing Aleisha's disability." What in the world! You see why Jesus said "Yvonne you cannot let these people live."

Wait a minute here. There is more. Jesus said "Yvonne open your eyes there are restaurants open now all over the place."

I now see the reason why Aleisha would fling her dirty pants straight at me and tell me "Ah looking for my man this morning - here is my dirty pants."

There are all different types of new restaurants. To hide cash away a few are home based. Yesterday I saw Organic Home Delivery. When you all get the money I heard one tell another "happy holidays."

There is more. Yes!

The defendants dump Aleisha's body on the train track to rule out the cause of death. They did that to me to but Jesus kept me alive.

I would like to ask the court to confiscate all money/income received from newly opened restaurants etc and open a Go Fund Me account in Aleisha's name to help others affected the way Aleisha was.

I would like to ask the court to compensate Aleisha's ^{CHILD} mom/DAD/SIBLINGS (immediately). I would like to ask the court to put the Food Network cheap ass business up in flame. Burn it down.

There was a flyer posted of Aleisha Johnson on

FACT 4

a wall. I read the contents and said "The all knowing God - Thou knowest all things - Show me who did this. I heard via vision "You already looking at a memorial - You don't know. You just stand there and look."

Moving on.

The defendants wants me out the environment and their faces. The defendants have treated me differently in the past and presently. The defendants view me as a serious threat to them and what I believe to be their filthy business.

The defendants know my profile they have studied me well. They know my strengths and weaknesses. Based on all these things the defendants have set up workers, friends and or acquaintances to defeat me, cripple me and even kill me.

The defendants have made my life a living hell. I have been writing about their treatment towards me for years now. These years are patterns on track records of them. They have just been adding and becoming nastier in their treatment towards me.

From physical evidence it appears one of the defendants could be maybe perverted. Recently too many men have been whipping out their penises and flashing me with them.

I look at patterns to form a story or conclusion. A couple minutes after stepping foot at the Oculus building two "deranged vagrants" starts to walk around the balcony and Oculus level. It is the same two all the time and they appear deranged to me. I know it is two different forces/energies at work in the environments I believe they were sent

FACT 5

to compete with each other. Other times I believe it is just to run me out of Oculus.

It is sad because I go over mostly to let the people eat from the vessel I carry. It appears Oculus does not want their business partner boost by a good source but another inferior one. They have already partly or wholly profited off me and the secure babies without my signature.

There is no way I can get away from Oculus alarm. I am not that lucky. It happens anytime. Apart from the secure babies assigners. People who appear to me as the worse homeless and vagrants soon show up right behind me after I enter Oculus or Fulton Center's restrooms. There are patterns of it. It appears these few receive a small pitance for their nuisance act(s).

If these workers do not want me to go back out and give them ten minutes to finish mop they want me to leave because one lock on a bath room stall do not work. For crying out loud. You do not have to do that when I am present. I know the defendants are targeting me singling me out.

Over the years to present I see patterns at World Trade Center, Oculus and Fulton Center as Bias, discriminating, persecution, power struggle and oppressed. I see in 3D. I am able to see most things ordinary people cannot or would not be able to see. I would never be able to understand why someone would purposely keep another disabled or fearful to profit off them.

The defendants view me as a threat more so

FACT 6

because of my gift - the things I was blessed to see. The defendants are threatened by it and even once tried to buy "the gift" from me. The defendants once tried to steal the gift and twice completely destroy it.

Once again the gift is not for sale. It is to be used to pull down, pluck out and uproot evil and wickedness.

I would like to ask the court to order the defendants compensate me for wrongful action. Only this morning about 2:20am a man came and sat next to me semi exposing himself to me. It occurred at 23 Street. I loudly shouted if there were any police on the platform or around.

There were only NYC MTA workers at the end of the platform. They did not budge. I believe they heard and are the ones who sent the 'flasher'. I would like to ask the court to unite me with my kids in our house. The defendants would be guaranteed of not seeing me any more.
